4. GENERAL PRINCIPLES / ELIGIBILITY CRITERIA FOR SELECTION

4.1 ALL EVENTS (NON-NOMINATED, NOMINATED TEAM/INDIVIDUAL, EUROS AND WORLDS)

1. Fencers will only be considered for selection if they have a satisfactory Disciplinary Record. The CST reserves the right to omit a fencer from selection for any event if they deem that fencer's Disciplinary Record to be unsatisfactory.
2. No fencer will be eligible for selection if, at the relevant selection date, that individual has an overdue and unauthorised debt to British Fencing.
3. If any conflict occurs between the above rules and anything published or appearing on the British Fencing website these rules will have precedence.

GBR CADET SELECTION POLICY 2019-20

4. Applications for the correction of errors in the calculation of ranking points should be sent to rankings@britishfencing.com and BF Head Office headoffice@britishfencing.com within 48 hours of the ranking points being published.
5. Any mitigating circumstances or discretionary case which an athlete wishes to be taken into account in the selection decisions should be submitted in writing using the appropriate form available on the British Fencing website. These should be sent to BF Head Office no later than two weeks before the identified selection date.
6. Any athlete wishing to be selected for Great Britain at FIE or EFC competitions must compete in the National Championships in the relevant category – Cadet, Junior, U23 or Senior.

In exceptional circumstances an exemption may be granted

- 6.1 Exemptions must be sought in advance from British Fencing Head Office by email or in writing
 - 6.2 Exemptions must have the written approval of the CEO
 - 6.3 In the event of injury or illness preventing participation in the relevant championships, a valid signed doctor's note will be required, and must be submitted to Head Office within one week of the date of the Championships
 - 6.4 The only other exception would be if an athlete does not have British Nationality at the point of the National Championships but subsequently receives British Nationality.
7. In making any selection decision the selectors shall not be obliged to have regard to the fact that selection (or non-selection) may affect a fencer's ranking in any ranking scheme.
 8. Athletes must be compliant with the BF Anti-Doping Policy at all times. Failure to comply will normally result in non-selection or de-selection.
 9. Entry to EFC Cadet competitions, Cadet European Championships and Cadet World Championships will be governed by the conditions of the particular competition and/or FIE and/or EFC regulations and any fencer must meet such conditions/regulation to be considered for selection, including holding a BF Membership and an FIE/EFC licence.
 10. According to FIE rules, a financial penalty can be imposed if a fencer fails to turn up to an event. The fencer will be liable for this penalty.

4.2 NOMINATED INTERNATIONAL EVENTS (TEAM/INDIVIDUAL, EUROS AND WORLDS)

11. Fencers are expected to maintain a satisfactory level of training and fitness. The ADT and CST reserves the right to request a fitness test or omit a fencer from selection for any event if they deem their fitness or training record to be unsatisfactory.

GBR CADET SELECTION POLICY 2019-20

12. Fencers that decline their selection for any team event may be required to forfeit their individual place to allow another athlete to compete in the individual event.

4.3 EUROS AND WORLDS

13. Selected fencers must attend any pre-Euros GBR Squad Development Camps, unless they have received an authorised exemption.
14. For team selections for the Cadet European Championships and any discretionary individual selections, attendance at ADP training camps will be taken into account.
15. Selected Fencers must be available to fence, if selected, in any nominated pre-Euros team events unless they have received an authorised exemption.

5. EFC CADET COMPETITION SELECTION

(note: 3 referees needed if more than 15 entries)
 - c. For any international cadet event in UK, however, up to **64 British fencers** can be entered
18. Selection procedure:
 - a. Up to **4 discretionary places** per weapon can be selected. The remaining places will be selected according to The Cadet Ranking including events up to the published selection cut-off date and

Allocation of fencers to teams will be the responsibility of the ADP lead coach, who will also coordinate the coaching tasks for the team event. (Please note that some EFC Cadet events are introducing maximum numbers of teams, therefore not all athletes selected for the individuals may be allocated to a team. The intention is to enter as many teams as possible and allocate all athletes to a team.)
23. Selection cut-off dates are included in the calendars and the list of selected fencers will be announced as soon as possible after these dates. (Please note that time is needed for the rankings to be updated and selectors to agree the list)
24. The CST is responsible for ensuring that they have an up-to-date copy of the ranking list and check eligibility requirements (eg National Championship participation/exemption, disciplinary record and outstanding debt status)
25. The ADT will delegate decisions regarding order and substitutions to a named coach who will also be the tactical coach for that event.

34. All fencers provisionally selected or qualified for the 2020 Cadet European and World Championships may be required to undertake a medical and fitness test prior to confirmation of selection.

- If only 1 or 2 fencers are qualified, they will be selected for the team. The remaining places and reserve will be at the discretion of the CST, with advice from the ADT.
 - If no fencers are qualified, all places will be at the discretion of the selectors, with advice from the ADT.
45. Discretionary Factors include:
- Performance Trajectory – recent significant improvements in performances and results
 - Previous GBR team performance

46. All fencers selected for the team event will fence in the individual event as well.
47. A fencer who declines a team place may forfeit their individual place.

7. RANKING PUBLICATIONS & SELECTION ANNOUNCEMENTS

48. The ICMG reserve the right to amend selection dates and calendars if circumstances change, e.g. cancellation of any of the nominated events.
49. The aim is to publish updated rankings within 3 working days of the relevant event.
50. For nominated events (excluding Euros and Worlds), the intention is to publish selections on the BF website on the 6th working day (the second Monday) after the final competition counting for ranking points for that selection.
51. It is the athlete's responsibility (with the support of their parent/guardian/coach) to check rankings and selections and take appropriate action. (For nominated events selected athletes will receive an email with instructions about accepting their place.)
52. It is the athlete's responsibility (with the support of their parent/guardian) to ensure the accuracy of their email address in the membership platform and check it regularly.
