ADP – GBR Athlete Development Programme

BF – British Fencing

ICMG – International Cadet Management Group

2. THE JUNIOR SEASON

2.1 The new junior season starts after the Junior World Championships in April.

2.2 The rolling ranking uses the results from nominated events over the previous year according to 3 below.

2.3 The ranking points will be updated after each nominated competition.

2.4 The nominated competitions in each season will be numbered chronologically then results will be replaced according to this order. In addition, results will only remain on the rolling ranking for a maximum of 12 months

Note- for BRCs this may occasionally result in a senior event result being replaced with an U20 one or vice versa.

The calendars for each weapon will be available on the British Fencing website - GBR section.

3. JUNIOR RANKING SCHEME

Weapons will select (“*nominate*”) at least three BRCs and up to four internationals. The internationals will normally be Junior World Cups during the period September 2019 to January 2020.

NB: Some additional BRCs may be added after the World Championship selection date to count for the rolling ranking.

3.1 Points will be awarded for:

- The fencer’s best **three domestic** results from the British Junior Championships (which will have a multiplier of 1.2) and the BRCs. *Note - this is a change from the previous season where the Championships were a stand-alone result.*
- The fencer’s best **three international** results.

3.2 The Junior European and Junior World Championships can also count for international points as one of the 3 best results where a placing of L32 or better is achieved.

Hence for the Junior ranking list the best **six** results will count, as above.

3.3 It is the responsibility of the ADP Team to confirm the nominated international events and set the BRC types and dates in consultation with the ICMG Chair, the BF Event Manager and the BF Calendar Coordinator.

4. COMPILATION OF THE JUNIOR RANKING LIST
