- Promotion to R3 from R1 & R2 results
- Fencers reseeded each round

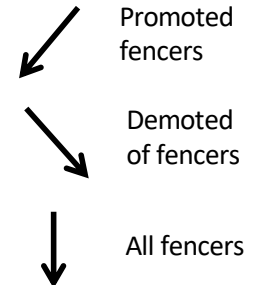

## Key

Poule

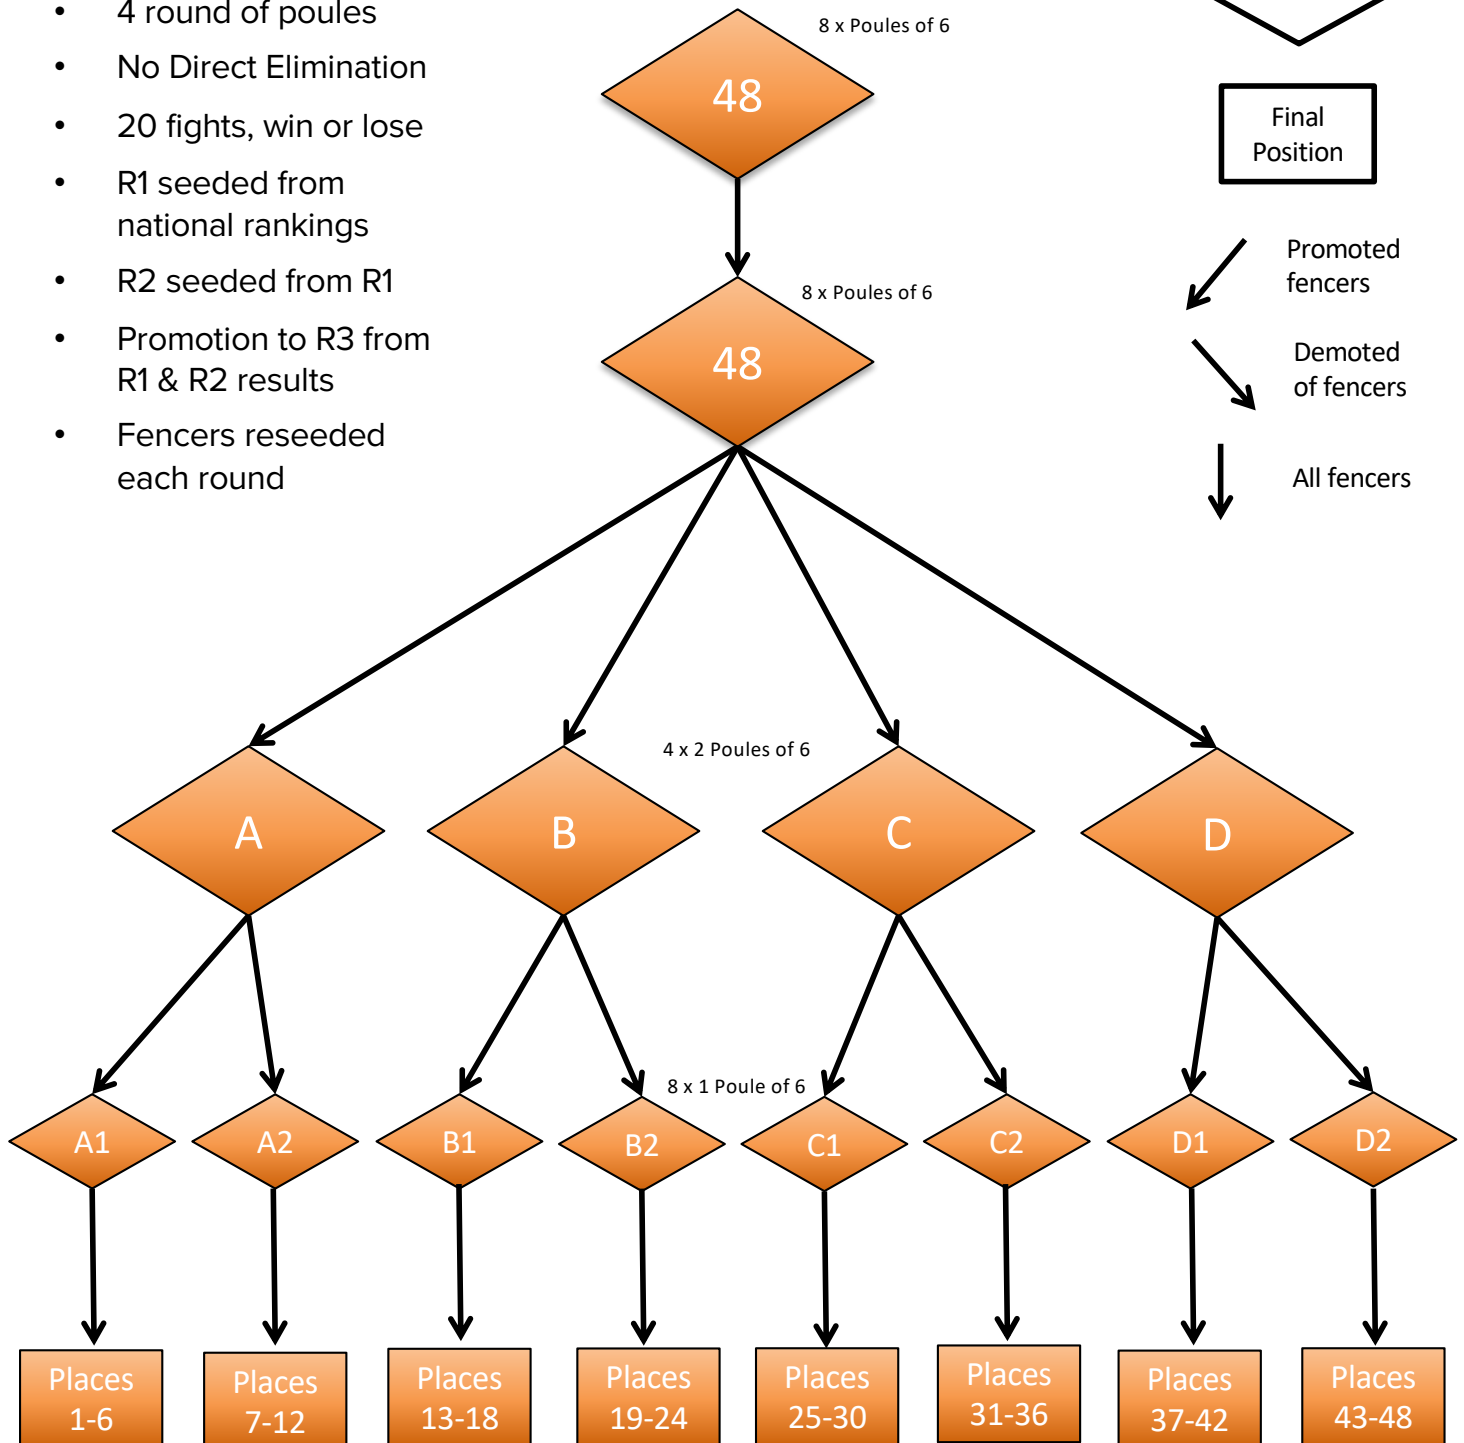

Final  
Position

Promoted  
fencers

Demoted  
of fencers

All fencers

**Notes:** Results from rounds 1 & 2 do not carry forward. To gain promotion from round 3, a fencer must be in the top 50% of fencers based on results from that round only. The same is true for round 4. Only results from that round count towards a fencer's final placing in that poule.
